The American Recovery and Reinvestment Act of 2009 (ARRA) Nutrition Reporting

The following questions relate to meals provided using ARRA Congregate and Home Delivered Nutrition Elderly funding for the period March 18, 2009 through September 30, 2009 and if necessary, October 1, 2009 through December 31, 2009. This information will assist in measuring the impact this funding has had in increasing and/or maintaining service delivery levels and adding staff or continuing to maintain adequate staffing levels.

Report Period (check one)

3/18/09 – 9/30/09

10/1/09 – 12/31/09 (if needed)

1/1/10 – 3/31/10 (if needed)

4/1/10 – 6/30/10 (if needed)

1. ARRA Funded Congregate Meals

Enter the total unduplicated count of persons served, the units of service provided and the total ARRA funds utilized during this period. *Note this information would previously been reported as an "Other" funded congregated meal service with NAPIS client data submission or an "Other" funded expenditure on the CAARS report.*

Total Congregate Meal Recipients	Total Units of Service Provided	Total amount of ARRA Funds utilized

2. ARRA Funded Home Delivered Meals

Enter the total unduplicated count of persons served, the units of service provided and the total ARRA funds utilized during this period. *Note this information would previously been reported as an "Other" funded home delivered meal service with NAPIS client data submission or an "Other" funded expenditure on the CAARS report.*

Total Congregate Meal Recipients	Total Units of Service Provided	Total amount of ARRA Funds utilized

3. ARRA Program Impact Statement

Describe the overall impact these funds have had for your program. For example, where there meal sites you would have needed to close because of funding reductions had these funds not been available. Did these funds prevent or delay staff cuts? Where you able to increase the number of persons served and the number of meals provided or maintain normal levels of service?

--

4. ARRA Program Impact Data

From the description provided above, please provide your best estimate of the following:

a. Number of meal sites facing closure as a result of funding cuts.	
b. Of the number in a., how many were able to stay open.	
c. Number of staff reductions faced as a result of funding cuts.	
d. Of the number in c., how many staff positions you able to restore.	
e. Number of additional staff you were able to add.	
f. Number of seniors whose service would be cut as a result of funding cuts but were restored with the ARRA funds.	
g. Number of meals that were to be eliminated as a result of funding cuts but were restored with the ARRA funds.
